Dear Commissioners,

I am pleased to report we have officially received an updated directive from NYSOGS and NYSBOE that includes the **LibertyMark BMD** in the immediate procurement for voting systems.

In accordance with OGS guidelines set forth in the procurement procedures, please find an itemized proposal of the **LibertyMark BMD** system, tailored to your counties specifications, for your urgent consideration.

After your review of the attached proposal, I respectfully request you select the **LibertyMark BMD** as your first choice to meet and exceed New York voting system requirements.

Please feel free to contact me with any questions you may have.

Very truly yours,

Robert F. Witko
President
